

Hey, Preschool Music Explorers!

Come and Experience:

♪ MelodyTykes! ♪

Bring your preschooler to Music151 and explore music! We will help kids experience different sounds and rhythm, all within fun activities with others their age.

Sessions are just 45 minutes long starting at 10AM every Saturday morning, and each session is limited to the first ten preschoolers who register. We bring the fun, you bring the preschooler -- and you might have more fun than they will!
